SCOTTS VALEY WATER DISTRICT SEEKS COMMUNITY MEMBERS FOR COMMITTEES & JUNIOR ASSOCIATE BOARD MEMBERS

POSITIONS ARE IDEAL FOR THOSE INTERESTED IN PUBLIC SERVICE

(NOV. 28, 2023) SCOTTS VALLEY, CA – The Scotts Valley Water District (SVWD) today announced its Board of Directors is accepting applications for four community members for open committee positions and two Junior Associate Board Members positions.

The deadline to apply is Jan. 10, 2024. Stipends are available.

Community Member Committee Positions

Community member positions on District committees are ideal for those interested in local government, civic service, local water supply and how a water agency operates.

Eligibility and Term:

- Reside or work in the District service area
- Age 18 or over
- Attend monthly meetings
- Two-year commitment, January 2024-December 2025

The District is recruiting two people each for the Finance & Personnel Committee and Engineering & Water Resources Committee. [Apply here.](#)

To be considered for an appointment, submit an online application and upload resume by 5:00 p.m. on Jan. 10, 2024. Interviews with the Board of Directors will be scheduled for the evening of Jan. 11, 2024.

Junior Associate Board Member Program

The District's Junior Associate Board Member Program is a first-of-its-kind among water districts in California, creating opportunities to increase awareness about District activities, engage the community and bring a greater diversity of opinions into the decision-making process.

Eligibility and Term

- Reside, work or attend school in the District service area
- Age 16 to 30
- Interest in local government and civic service
- Availability to attend monthly board meetings and review meeting materials in advance
- No more than one member from a household
- Two-year commitment, January 2024-December 2025

As non-voting advisors, Junior Associate Board Members attend monthly Board meetings and participate in Board discussions to provide additional input and perspectives. Two are selected for each term. [Apply here.](#)

ABOUT SCOTTS VALLEY WATER DISTRICT

Scotts Valley Water District is a public agency providing water service over six square miles including most of the City of Scotts Valley and a portion of the unincorporated areas north of the city limits. The community of

Scotts Valley places a high value on livability, innovation and planning for the future. Scotts Valley Water District is proud to play a vital role in supporting those efforts by providing a reliable, sustainable, high-quality water supply. Through partnership with our community, strategic investment in resources and pursuit of new ideas, Scotts Valley Water District is redefining its historic role in order to meet future challenges and turn them into opportunities.
