Notice is hereby given that sealed bids will be received by the Scotts Valley Water District ("District") in the District Office at the time, date and place below for furnishing all labor, materials, equipment, and services for the construction of improvements designated as the Scotts Valley Water District Orchard Run Water Treatment Plant Aesthetic Water Quality Improvements project at which time and place bids will be publicly opened and read.

Location: Scotts Valley Water District
2 Civic Center Drive, Scotts Valley CA 95066

Time: **Before 2:00 PM, July 1, 2020**

After bids are opened, they will be referred to staff for subsequent action. The District reserves the right to reject any or all bids and to waive any errors or discrepancies. Any bids received after the scheduled closing time for receipt of bids will be returned unopened.

PROJECT DESCRIPTION

The Project involves construction of the Orchard Run Water Treatment Plant Aesthetic Water Quality Improvements project located at 6508 Los Gatos Hwy, Scotts Valley, California which includes, but is not limited to:

1. Two (2) 10-ft diameter granular activated carbon (GAC) contactors each with 20,000 pounds of GAC and a design treatment capacity of 800 gallons per minute (GPM) and connected piping.
2. One (1) odor scrubber with a treatment capacity of 3,600 cubic feet per minute (CFM) and both a biological and GAC treatment stage and connected ducting and appurtenances.
3. One (1) 40,000-gallon capacity welded steel tank.
4. One (1) blower with a 3,600 CFM capacity.
5. Reinforced concrete foundations for the GAC contactors, odor scrubber, and welded steel tank.
6. Modifications of existing process piping.
7. Modifications of existing electrical, control, and chemical systems.

8. Removal of existing equipment including a plate filter press, 36,000-gallon bolted steel tank, 15,000-gallon bolted steel tank, ammonia-based odor scrubber, and connecting piping and appurtenances.
9. Demolition of existing reinforced concrete foundations.
10. Demolition of decommissioned low-voltage electrical components.
11. Miscellaneous earthwork including sheeting and shoring.
12. Application of high-performance coatings.

REQUIREMENTS

Contractor's License

To submit a bid the Contractor must possess a valid State of California **Class A** Contractor's License. In accordance with the provisions of California Business and Professions Code Section 7028.15, a bid submitted to the District by a Contractor who is not licensed in accordance with applicable laws shall be considered non-responsive.

Time Limit for Completion

The successful bidder will have two hundred and seventy-five (275) calendar days to substantially complete the Project from the Notice to Proceed. Final Completion shall occur within three hundred and twenty (320) calendar days from the Notice to Proceed.

Mandatory Pre-Bid Conference

A mandatory pre-bid conference will be held at 10:00 AM, June 4, 2020, at a location to be announced. Attendance at the pre-bid conference is mandatory for all prospective bidders.

Prevailing Wage and Labor Code Compliance

The District hereby advises all bidders that the successful bidder shall: (a) Employ the appropriate number of apprentices on the job site as set forth in California Labor Code 1777.5.

Notice of Public Works Registration

No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. All contractors and subcontractors must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement) if required by law.

OBTAINING DOCUMENTS

Electronic copies of all Contract Documents are available per request. All prospective bidders shall register with the District by calling 831-438-2363 or engineering@svwd.org. The Contract Documents are also available on District website www.svwd.org.

CONTACT INFORMATION

Pre-Bid Inquiries

Bidders may submit pre-bid inquiries or clarification requests. Bidders are solely and exclusively responsible for submitting such inquiries or clarification requests not less than Fourteen (14) days prior to the scheduled closing date for the receipt of Bid Proposals.

The District will not respond to any bidder inquiries or clarification requests unless such inquiries or clarification requests are timely submitted.

Questions concerning this project should be submitted to the owner's representative:
