

# CONSIDER A CAREER WITH SCOTTS VALLEY WATER DISTRICT

## WHY US?

- Competitive salaries
- Creative benefits
- Productive work environment
- Positive workforce culture

We are a nimble and progressive public agency that encourages creativity and innovation. We support continuous training and knowledge transfer. Decision are made locally, and employees are encouraged and expected to be problem solvers. Competence and collaboration are both valued and rewarded.

## WHY WATER?

The water industry will never go obsolete – people always need water and it’s needed everywhere. The industry is complex, multifaceted, multi-disciplinary, science-based and computerized but also needs a personal touch.

## VISION

We are a results-driven, data-oriented public agency that provides effective actions, superior customer service and visionary leadership.

## MISSION

We deliver a sustainable high-quality water service in an environmentally responsible and financially sound manner.
