SCOTTS VALLEY WATER DISTRICT INVITES PUBLIC TO JOIN BOARD COMMITTEES AND ESTABLISHES FIRST-EVER YOUTH BOARDMEMBER POSITIONS

APPLY NOW TO SERVE ON A COMMITTEE OR BE A JUNIOR MEMBER OF THE BOARD OF DIRECTORS!

(OCT. 17, 2019) SCOTTS VALLEY, CA – The Scotts Valley Water District (SVWD) today announced that the District’s Board of Directors has created four new community advisory positions within the board and its committees.

For the first time, the Scotts Valley Water District Board of Directors is seeking two Junior Associate Board Members to serve as non-voting advisors. Junior Associates will sit with board members during meetings and participate in all public discussions.

Junior Associate Requirements:
- Year-long position, January-December 2020
- Attend monthly afternoon or evening meetings
- Reside, attend school or work in the District service area
- Age 16-26

Community members are now welcome to join committees of the Scotts Valley Water District Board of Directors. One position each is open on the Water Resources and Engineering Committee and the Finance and Personnel Committee.

Community Members of Committees Requirements:
- Year-long position, January-December 2020
- Attend monthly afternoon or evening meetings
- Reside or work in the District service area
- Age 18 or over

The positions are ideal for those interested in local government and civic service, or those who want to learn more about the local water supply and how a water agency operates. Stipends or volunteer service hours are available.

The application window for all positions will be Oct. 18 to Nov. 8. Learn more and apply online: http://www.svwd.org.

ABOUT SCOTTS VALLEY WATER DISTRICT
Scotts Valley Water District is a public agency providing water service over six square miles including most of the City of Scotts Valley and a portion of the unincorporated areas north of the city limits. The community of Scotts Valley places a high value on livability, innovation and planning for the future. Scotts Valley Water District is proud to play a vital role in supporting those efforts by providing a reliable, sustainable, high-quality water supply. Through partnership with our community, strategic investment in resources and pursuit of new ideas, Scotts Valley Water District is redefining its historic role in order to meet future challenges and turn them into opportunities.
